

HADHIVA

INSTITUTIONAL APPAREL AND MERCHANDISE

Wear the status of your institution.

COMPANY PROFILE

HADHIVA is a quotation-based institutional apparel company founded by Kelvin Kagoso Noel in Dodoma. We help organisations translate identity, purpose and professional standing into garments and merchandise suited to their people and operating context.

CORE PRODUCTS

- Corporate and staff polo shirts
- Campaign, conference and event T-shirts
- Institutional caps and accessories
- Field and performance apparel
- Hospitality and service uniforms
- Executive layers and coordinated merchandise

INSTITUTIONS SERVED

Healthcare, universities and colleges, schools, government, NGOs and development programmes, companies, hospitality, religious and community organisations, sports clubs and event teams.

WHAT HADHIVA COORDINATES

Design direction

Institution-specific garment, colour and placement concepts.

Sourcing

Garment and fabric options matched to use, climate and budget.

Branding

Embroidery, screen print, DTF, heat transfer, sublimation and labels.

Procurement support

Structured briefs, formal quotations and repeat-order records.

Quality control

Artwork approval, sample review, count checks and inspection.

Delivery planning

Collection or regional delivery written into the quotation.

QUALITY COMMITMENT

- + No production without approved artwork and specification
- + Physical sample pathway for major or colour-sensitive orders
- + Defect review against the approved sample and written brief
- + Institutional logos used only for the authorised enquiry or order
